Thinking about tying the knot? Want your wedding to be unique and special? Forget the Bahamas and the Caribbean, come to Dale Hollow Lake and have a special wedding on one of the most picturesque lakes in the country. Dale Hollow Lake now has several wedding chapels, including Seventh Heaven Wedding Chapel in Celina. Several other options include getting married by Reverend Rocket on Anchors Aweigh, a luxury yacht on Dale Hollow Lake which can include overnight luxury accommodations, dinner cruise, and reception and wedding arrangements. You could also plan a simple wedding on the shorelines of Dale Hollow Lake that can be quite nice, with caterers that can offer country cooking, BBQ or a sit down meal at one of their restaurants. There are many other service providers that can offer beautiful services like Ashley's Classy Cuts or Platinum Spa and Salon in Livingston. Cricket's is a new boutique in downtown Livingston that offers a great wedding register, an expansive and unique Vera Wang collection, and lots of gifts for the bride and groom. Dyer Drugs in Albany, KY also has plenty of gifts and supplies for wedding showers and more. Ma & Pa's Florist and Gift Shack can take care of all your floral needs, tuxedo rentals, and more.

Getting married is one of the most special days of any lifetime and making memories is what Dale Hollow Lake is known for. The popularity of Dale Hollow Lake, couples that have fallen in love here, and couples wanting to renew their vows, have made this a popular destination among many for their special day.
